

Greetings from Paul and Olivia!

We just wanted to express our thanks for your support, not only in prayers, but through your giving to Lottie Moon and the Cooperative Program. This support enables us to receive excellent and vital training that will prepare us for the mission field.

### **Spiritual Warfare**

For several days, we've had intensive spiritual warfare training led by our Mission President, Jerry Rankin. This was an incredible time

of stories from the field, along with practical advice on how to combat our adversary with the Holy Spirit who lives within us. One of the most important aspects of this training, was the emphasis on our personal walk with Christ - our purpose is to glorify God in and through our lives. Satan tries to thwart that by causing God's people to stumble.

### **Cultural Worship**

Sunday night we had a cultural worship with a focus on the Americas. The entire service was done in Spanish - what a challenge for those of us trying to learn the language!
